

# Design

At Minerva Art Academy exchange students are integrated in programme of level 2 (for 2nd and 3rd year students). As an exchange student, you are embedded in de design program as well as in the elective programmes of the “Minerva learning Community”. The programme is in English.

## Incoming exchange students

**The Design Programme at Minerva Art Academy has six majors:**

- Graphic & Interaction Design
- Illustration & Animation Design
- Spatial Design
- Time Based Design
- Product Design
- Off Road Design

[Read more about the Design programme here.](#)

During their exchange, students attend lectures in the programme of the regular of the 2<sup>nd</sup> year students of the department design or are able to participate in a divers choice of life projects, research projects of the research centre or placements in one of the innovation workshops of the Hanze UAS. Exchange is possible in the spring semester (February-June/July).

The end of the exchange period is marked by a combined presentation and exhibition. Both Design and Fine Art students present a selection of their work to the academy community.

For the pro-active art student an exchange study period at Minerva Art Academy offers plenty opportunities to go in depth and push the intellectual and artistic development!

## Admission requirements

Candidates can apply through [the application page](#) and will be asked to send in a (digital) portfolio and a motivation letter.
